Why in UAE?

Every year ICPM ties up with different success story, and after the success in last 13 events in UAE, this year ICPM is collaborating with government authority under one platform.

Direction and Vision of UAE is to improve and provide the world class healthcare industry, The healthcare scope and gain the trust of healthcare authorities and healthcare providers.

UAE's economy has seen an unprecedented growth over the past few years which are the result of policies that investor friendly like cutting red tape and expanding of economic and commerce in UAE considering its importance and the support extended from UAE Rulers, ICPM decided to take the opportunity and organize 14th edition of ICPM at UAE.

Keeada Health

Purpose & Objectives of ICPM

- To promote a healthier lifestyle as well as to prevent lifestyle related diseases.
- Connect the multinational pharmaceutical & medical companies, distributors and retailers with UAE & GCC Regulatory Authorities
